

## Admission Requirements Checklist (Fall 2026 cohort only)

The following items must be completed **Prior to Applying** to Nursing program:

- Applicants must be at least 18 years of age
- Applications must meet all admission requirements of the College.
- Applications must complete the Admission Assessment, [HESI A2](#), (Health Education Systems, Inc.)
  - Minimum score of 80% on each subtest: reading, vocabulary, grammar, and math
  - HESI A2 can only be repeated 2 times within a semester. Remediation must be completed in TSC's Learning Commons and proof of completion is required prior to be allowed to take the test more than 2 times overall.
- The following pre-requisite courses must be completed:

Course	Grade Required	
ENC 1101	C or better	Prior to submitting application
PSY 2012	C or better	Prior to submitting application
Mathematics State Core	C or better	Prior to submitting application
Humanities State Core	C or better	Prior to submitting application
AMH 2020 or AMH 2010 or POS 1041	C or better	Prior to submitting application
DEP 2004	C or better	Prior to submitting application
BSC 2085	B or better (only 2 attempts allowed)	Prior to submitting application
BSC 2085L	B or better (only 2 attempts allowed)	Prior to submitting application
BSC 2086	B or better (only 2 attempts allowed)	Prior to submitting application
BSC 2086L	B or better (only 2 attempts allowed)	Prior to submitting application
MCB 2004*	B or better (only 2 attempts allowed)	Must take during Summer 2026 only or prior
MCB 2004L*	B or better (only 2 attempts allowed)	Must take during Summer 2026 only or prior
HSC 1001	C or better	Must take during Summer 2026 only or prior

\*Students enrolled in MCB 2004 and MCB 2004L and HSC 1001 during Summer 2026 will be contingently admitted to the program if all other requirements are satisfied and the total score calculation falls within the standard guidelines.

- “S” grades will not be calculated, but will be considered as meeting the course requirement for non-science pre-requisites. Letter grades are required for all science pre-requisite courses. Sophia learning is not acceptable towards science pre-requisite courses.
- Students must be in good academic standing, with no academic suspension, probation or warning. All nursing prerequisites must be completed at the time of application.
- Students will be given additional points towards their application for actively participating in TSC’s Pre-Healthcare Academy.
  - The pre-healthcare academy consists of workshops to prepare students for the limited access healthcare programs.
